EXPERIENCE

Developed a strong understanding of the end-to-end web development process.
Gained hands-on experience with modern development tools and frameworks.
Enhanced problem-solving skills and learned to adapt to evolving project requirements.
Looking Forward:
Excited to leverage my newfound skills and knowledge in a challenging Full Stack Developer role. Eager to contribute to innovative projects and continue expanding my expertise in web development.

PW-INTERN

FRONT-END project Random joke App for entairtainment Purpose. I played a pivotal role in developing and enhancing web applications, gaining hands-on experience in both frontend and backend technologies. Throughout this internship, I honed my skills in creating scalable and efficient solutions while contributing to a collaborative and dynamic development environment.

Gursidak-NGO

Graphic designer and vedioeditor. During my internship at Gursidak Foundation, I had the opportunity to immerse myself in the dynamic world of graphic design, contributing to impactful projects and honing my creative skills.
